Learn more about our education programme at www.acdandc.org.uk or contact the Education and Projects Manager on 07969 327525 marie.sellars@acdandc.org.uk
We are funded by CABE the government adviser on design and the built environment.

The Architecture Centre Devon and Cornwall offers a wide programme of activities, ranging from working with schools, colleges and teachers to families and communities. We provide support and information which is accessible, relevant to **help children achieve more** and complements the National Curriculum.

1 Be Healthy

Exploring how buildings and landscaping affects health and well-being

Stay Safe

2

Showing how design can create a safe and secure buildings and neighbourhoods

3 Enjoy and Achieve

Cross curricular activities, using a range of learning and opportunities which are inspirational and raise aspirations. This includes facilitating visits to interesting and exemplar buildings

Make a positive contribution

4

Helping with the exploration of the history and culture of the local area, as well looking at the importance of sustainability

5 Achieve economic well-being

Supporting learning about the value of good design and how professionals work.

All our workshops and projects can be tailored to a school or organisation's individual needs for short or longer-term projects.

We support >

All Curriculum Areas

School Building programmes

14-19 Diplomas

Careers in the built environment sector

We use >

Spaceshaper 9-14
